# PRESOURCE Transnational Workshops

---

## Lessons learnt I

- ✓ The international approach of knowledge exchange can be very beneficial.
- ✓ Instruments and activities have to be adapted to the regional and local context.
- ✓ Good communication and target group oriented information services are crucial precondition for success.

# PRESOURCE Transnational Workshops

## Lessons learnt II

- ✓ Early planning and invitation crucial.
- ✓ Give international experts an active role to ensure participation, while main targets groups are national experts. → *Rotating workshops in different countries very beneficial for exchange.*
- ✓ Interactive formats of workshops could be further strengthened.
